Wind Ridge Schoolhouse
2014 - present

Previous Experience:

Secret Forest Playschool, 2013 - 2014

Why Nature-based Learning?

Children thrive in nature. While playing and learning in a natural setting, children have limitless possibilities to engage their whole selves and develop confidence, knowledge of self, healthy risk taking, creative thinking, deep friendships, and a lifelong connection with the natural world all while experiencing lots of joy and adventure!
